FOR IMMEDIATE RELEASE

Team del Sol Senior chosen as Team USA; will represent the United States in World Competition in Synchronized Skating

The Synchronized Management Subcommittee (SMS) of the United States Figure Skating Association (US Figure Skating) has announced those teams who will represent the United States in World Competitions (“Team USA”) for the 2015-2016 season. *Team del Sol Senior*, of San Diego, California, was named Team USA by the SMS for its potential to successfully meet the criteria for international readiness and competitiveness, after a several month long process of evaluations, monitoring and competitions where performances were scrutinized by domestic and international judges. *Team del Sol Senior*, coached by Karen Wiesmeier, consists of a team of 19 skaters, each with over a decade of skating experience. “I am excited and honored *Team del Sol Senior* has been selected for Team USA,” she noted. “I look forward to working with these top athletes as we prepare for challenging international competition.” Co-captain Danielle Anderson said, “I am incredibly honored to represent the United States under the discipline of Synchronized Skating. I am humbled to be considered a Team USA athlete along with the other teams chosen to represent their countries at the international level.” Added Co-captain Kate Liang, “We are so incredibly fortunate to be chosen by the Synchronized Management Subcommittee of US Figure Skating to represent the United States of America. We look forward to working hard and sharing our passion for Synchronized Ice Skating with our fellow Team USA and international teams.”

Senior Team del Sol has been selected to represent Team USA at the Trophy D’Ecosse in Dumfries, Scotland February 12-14, 2016.
